1. When your pet is in the room, it must be kept in a kennel.

2. At no time will your pet be left unattended in your room or anywhere on hotel property.

3. In the event that your pet causes any damage or necessitates excessive cleanup of the room, the registered guest will be billed for the damages or cleanup.

4. Any loss of revenue (refunds to other guests, etc.) by the hotel due to complaints about your pet will be billed to the registered guest.

5. The hotel has a limited number of dedicated pet rooms. The hotel may refuse to rent a room to a potential patron if a dedicated pet room is unavailable.

6. The hotel has the right to refuse to rent a room to a potential patron if we feel that the pet is unsavory.
